Brand New Sin, Brown Street Betty

aint no sun on me today
i couldn't say why i stayed
maybe i should've walked away

my defect
this hell im in
your defense
why won't you let me live

whoah BROWN STREET BETTY
what you see is what you get
whoah BROWN STREET BETTY
No she'll never settle down

She didn't smile at me today
i couldn't say why i stayed
maybe she could've walked away

my defect
this hell im in
your defense
why won't you let me live

whoah BROWN STREET BETTY
what you see is what you get
whoah BROWN STREET BETTY
No she'll never settle down

Now in the light, in the pale moon light
i can see all the things, all the things i shouldn't be

Now in your sight, in the mornin light,
i can see all the things, all the things i shouldn't be

whoah BROWN STREET BETTY
what you see is what you get
whoah BROWN STREET BETTY
No she'll never settle down
