

22 Pistepirkko, Quicksand

Sister standing on a sea side
Planning to do herself a lot of harm
Me I run like a jaguar
Planning to save her one more time

Me I'm standing on a seaside
Planning to do me a lot of harm
Sister running like a jaguar
Planning to save me one more time

All these years next to quicksand
And all these years next to suicide
All these years the big sea
Hasn't given a damn
