Luis Bacalov, Django

Chorus: django!

Django, have you always been alone?

Chorus: django!

Django, have you never loved again?
Love will live on, oh oh oh...
Life must go on, oh oh oh...
For you cannot spend your life regreatting

Chorus: django!

Django, you must face another day

Chorus: django!

Django, now your love has gone away
Once you loved her, whoa-oh...
Now you've lost her, whoa-oh-oh-oh...
But you've lost her for-ever, django

When there are clouds in the skies, and they are grey
You may be sad but remember that love will pass away

Oh django!
After the showers is the sun
Will be shining...

[Instrumental solo]

Once you loved her, whoa-oh...
Now you've lost her, whoa-oh-oh-oh...
But you've lost her for-ever, django

When there are clouds in the skies, and they are grey
You may be sad but remember that love will pass away
Oh django!
After the showers is the sun
Will be shining...
Django!
Oh oh oh django!
You must go on
Oh oh oh django...
