28 Days, Never Give Up

if you took away what i had,
sing ashes to ashes, dust to dust
when i drop how will i land?
flat on my back due to lack of self trust,
time moves fast like quicksand,
but i refuse to stagnate, stagnate, rust
when i drop how will i land?
flat on my back due to lack of self trust

chorus--
you can fool everybody else but you cant fool yourself
(never give up)
your descision
find another way, sometimes nobody else will give you help
never give up

ashes to ashes, dust to dust...

never give up
