John Lennon, How Do You Sleep?

so sgt. pepper took you by
surprise
you better see right through that
mother's eyes
those freaks was right when they
said you was you was dead
the one mistake you made was
in your head
how do you sleep?
ah how do you sleep at night?
you live with straights who tell
you you was king
jum when your mamma tell
you anything
the only thing you done was
yesterday
and since you've gone it's just
another day
how do you sleep?
ah how do you sleep at night?
a pretty face may last a year
or two
but pretty soon they'll see
what you can do
the sound you make is muzak
to my ears
you must have learned
something all those years
how do you sleep?
ah how do you sleep at night?
