Mariah Carey, Beautiful

Ah ah you're beautiful
Ah ah you're beautiful

Hop on, the back of my bike
Let the good wind blow through your hair
With an ass like that, and a smile so bright
Oh you're killing me, you know it aint fair

Ride on, through the middle of the night
Let moonlight kiss your skin
When you dance like that, your jeans so tight
Oh you're killing me, baby do it again

You're beautiful, and your mind is f-cking beautiful
And I cant pretend that that doesnt mean a thing to me, to me, yeah
You're beautiful, good lord, you're f-cking beautiful
And I cant pretend that that doesnt mean a thing to me, to me, yeah

I like when you run red lights, dont stop till you thrill me, oh how you thrill me
Always in control, how you do it I don't know
But I dont care, take me anywhere,

Cause it's beautiful, ooh you make me feel undressable
And I cant pretend that that doesnt mean a thing to me, to me, ohh yeah
You're beautiful, and your mind is f-cking beautiful
And I cant pretend that that doesnt mean a thing to me, to me, yeah
You're beautiful, good lord, you're f-cking beautiful
And I cant pretend that that doesnt mean a thing to me, to me, yeah

Ah ah you're beautiful
Ah ah you're beautiful

You don't know what you're doing darling
Hop on back my bike darling
Don't you worry darling
