

# 28 Days, Rollin Gang

What the fuck is this thing  
I pictured four wheels  
I can't ride that  
I'm reading the warning  
Jimmy takes over and says fuck that  
Because it reminds him  
So much of snowboarding  
Don't even think of bailing cause  
It doesn't have a break  
Watch out for the trees  
They can be nasty  
If you miscalculate the line that you take  
Face in the dirt  
Your mates are all laughing  
Golf courses, smart park  
Mount Bipta take me back  
That school in South Frankston  
Old Jimmy's black hard pack  
We're taking over your park  
Better go there after dark  
When we walk up to the park  
Better grab your dog, pack up  
The picnic basket  
Yo we're not asking  
Lovers rollin on the grass  
Better watch your ass  
As we're rollin by  
Because you're gunna die  
Break!  
When we walk up to the park  
Better grab your dog, pack up  
The picnic basket  
Yo we're not asking  
Lovers rollin on the grass  
Better watch your ass  
As we're rollin by  
Because you're gunna fuckin die  
Fuckin die  
Because you're gunna fuckin die  
Yeah you're gonna die  
Gonna die!  
We're takin over.
