

28 Days, Sand

the sand is sifting by
I only know that I will die
and pay my taxes the rest is touch and go
I wish I could just catch a glimpse of what's in store
I've wanted since I can recall
I never know what to do
I've never had a clue
I feel the future
don't tell me you don't
feel it slip away
feel it slip away
the sand is sifting by
I only know that I will die
and pay my taxes the rest is touch and go
I wish I could just catch a glimpse of what's in store
I've wanted since I can recall
I never know what to do
I've never had a clue
I feel the future
don't tell me you don't
feel it slip away
I feel the future
don't tell me you don't
feel it slip away
feel it slip away
I feel the future
don't tell me you don't
feel it slip away
feel it slip away
the sand is sifting by
I only know that I will die
and pay my taxes the rest is touch and go
I wish I could just catch a glimpse of what's in store
I've wanted since I can recall
I never know what to do
I've never had a clue.
