Byz, A Friend

A Friend the greatest thing in life
A Friend can not be bought at any price
A Friend will help you through the day
and he will never let you down or look away
A Friend he got a helpy hand
A Friend tell him and he will understand
A Friend watch over you at any time
and he will never let you down or look away
A Brother may not be a friend to you
But a friend will always be like a brother to you
A Brother may not be a friend to you
But a friend will always be like a brother to you
A Friend will do both for your rang
A Friend will come in darkness with a light
A Friend forgive you for your sins
and he will never let you down or look away
A Friend can see your suffer for mine
A Friend will cheer you up until you smile
A Friend is most important to you
and you will never let him down or look away
A Brother may not be a friend to you
But a friend will always be like a brother to you
A Brother may not be a friend to you
But a friend will always be like a brother to you
