Martine McCutcheon, Talking In Your Sleep

You're sleeping in your dreams
You're sleeping
Three o'clock in the morning
And it looks like it's gonna be another sleepless night
I've been listening to your dreams and getting very low
Wondering what i can do
Maybe i'm being foolish
'Cause i haven't heard you mention anybody's name at all
How i wish i could be sure it's me that turns you on
Each time you close your eyes
I've heard it said that dreamers never lie
You've been talking in your sleep
Sleeping in your dreams
With some sweet lover
Holding on so tight
Loving her the way
You used to love me
Talking in your sleep
With loving in your mind
Maybe i'm being foolish
'Cause i haven't heard you mention anybody's name at all
How i wish i could be sureit's me that turns you on
Each time you close your eyes
I've heard it said that dreamers never lie
You've been talking in your sleep
Sleeping in your dreams
With some sweet lover
Holding on so tight
Loving her the way
You used to love me
Talking in your sleep
With loving in your mind
I've been getting very low
Please let it be me
That you're dreaming of
You're dreaming of
You've been talking in your sleep
Sleeping in your dreams
With some sweet lover
Holding on so tight
Loving her the way
You used to love me
Talking in your sleep
With loving in your mind
You've been talking in your sleep
