

28 Days, What You Know

You two need to grow up
you got a good thing
but you won't see it because you think
you're missing out on your youth
turn around one day and see it wasted
the best thing you could've had
you know it is the truth
And you are just kidding yourself
we all know, it so shows
what you know and what
you think you know
Well i might be wrong but looking
at you i don't think so
i can see the anger
fear and jealousy in your face it's so clear
i used to watch you two
you had a passion
but now i watch you two
and wonder what it is you fear
And you are just kidding yourself
we all know, it so shows
what you know and what
you think you know
And you are just kidding yourself
we all know, it so shows
what you know and what
you think you know
Don't just waste it
it's not a waste of time
don't replace it
nothing can is what you might find
so don't, don't you waste it
You two need to catch on
you got a god thing
but you won't see it because you think
you're missing out on the truth
And you are just kidding yourself
we all know, it so shows
what you know and what
you think you know
And you are just kidding yourself
we all know, it so shows
what you know and what
you think you know
Don't just waste it
it's not a waste of time
don't replace it
nothing can is what you might find
what you might find.
