Me First And The Gimme Gimmes, Rich Girl

You're a rich girl and you're goin' too far
Cause you know it don't matter any way
You can rely on the old man's money
You can rely on the old man's money

It's a bitch, girl but it's goin' too far
Cause you know it don't matter any way
Say money, money won't get you too far
Won't you far

Don't you know, whohoh, that it's wrong, yeay
To take what he's givin' you
So far gone, ohh, you can get along
You can try to be strong, but you'll never be strong, yeah

[repeat chorus]

High and dry, out of the rain
It's so easy to hurt others when you can't feel pain
Don't you know that a love can't grow
Cause it's too much to give cause you'd rather live for the thrill of it all

[repeat chorus]

Say money, money won't get you too far
Say money, money won't get you too far
Won't get you far

Ah, yeah
