Casely, Emotional

[Verse 1:]
Damn Somebody Tell Me Why The First Girl I See When I Walk Up In The Club Her
NiggA You Told Me That You Was Gon Make Sure I Wasn't Gona See This Girl
No Not Tonight, I Wanted To Give It Time, I Wanted Her Out My Mind
Now It's Too Late To Leave
Damn, I Wonder Who That Is She's Talking To... He Put The Drink Down Now He's Makin A Move,
And Just Like A Fool I'm Watchin Her
Tryna Make My Eyes Deter
But I can't Stop Watchin I'm Watchin
Said I Can't Stop Watchin, I'm Watchin
[Pre Chorus:]
Now The Only Thing I Feel Inside Of My Chest Is All This Regret
I Never Should Of Let You Go, Why'd I Let You Go,
This Situation Is Under My Skin
There's A War Goin On Within
[Chorus:]
This Is How I Feel Everytime I'm Around You
I Just Lose Control When I'm In The Same Room
I Get So, I'm Sooo
Emotional, Emotional, Emotional
[Repeat]
[Verse 2:]
So What should I Think?
Yhu jus Rolled Up, Like yhu Do It On Dubs
Show me What It Is, Make me Miss our Love
Yea Reminisce On Us
Look At u Stressin, So Caught Up
So Learn ur Lesson, u Realize
(But Now it's juss Too Late)
Cause I Just Wrapped His Hands Around my Slim Waist
That was ur Waist
Please Don't say I'm Dancing The Same Way
I Danced With u
Cuz Man That Could Never Be
That's What I Said To u
That's Why it's So Hard 4 u To Believe
[Pre Chorus:]
Now The Only Thing u Feel Inside Of ur Chest Is All That Regret
U Never Should Of Let me Go, Why'd u Let me Go,
This Situation Is Under ur Skin
There's A War Goin On Within
[Bridge:]
Hey Girl, Didn't See Ya Standin There it's Been A
Long Time, it's Feelin Really Good To See Your Smile
(Every Once In A While) I'm Thinkin Of You And Me- E
But Life Is Good I'm Free-E Yea
Wait! Baby I'm Frontin Honestly I Made A Big Mistake
I'm Struggling With Reality, It Hurts More Everyday
I Been Blaming You For Makin Me Feel This Way
And Now I'm Crushed Without Your Love
