Kevin Gates, Push It

my biggest problem in life
was over coming myself
but once I defeated myself
the only thing left was peace

nigga be talking like rthis
shit easy or something
yeh heard me
nah nigga I make this shit look easy
yeah heard me!

see, sometimes people think they can be you
better than you could be you
every time they take ya down
I;ma build you the fuck back up, nigga

took a lof of losses
had to bounce back
she got ass
love it wahen it bounce back
came back strong
had to bounce back
applying pressure
watch a nigga bounce back

push it
up all in his face and he think that I am pushing
like what we got talk about
ain’t to talk about
I put the calls on these niggas
I call ‘em out

push it
up all in his face and he think that I am pushing
major mistake if you thinking I am pussy
push it
push it
I am in his face and he think that I am pushing
major mistake if you thinking I am pussy
