

2nd Chapter Of Acts, Rainbow

Listen to my story
Then you'll know the glory
Noah saw after the rains came down
And killed the people
Even though they'd been warned
Still they scoffed and they scorned
But they never saw the rainbow

The rainbow is a promise
No rain will fall upon us
To destroy the life on earth again
Or the living creatures
That means you, that means me
Every bird, every tree
And He signed it with a rainbow

You can have a rainbow
Yes, a living rainbow
If you will accept the son of God
His name is Jesus
He'll wash away your old life
God gave His Son so you might
Know the One who made the rainbow
