Kiss, Rockin' In The U.S.A.

I'm flyin' in a 747, I'm passing by the pearly gates
And I'm comin' real close to Heaven
And my guitar just can't wait, it just can't wait

In France really had the chance, yeah, there was plenty romance
I've been to England too, there wasn't much to do
One thing I know is true, what I would rather do is

Rockin' in the U.S.A.
Nowhere else I'd rather stay
Rockin' and a-rollin', rockin' and a-rollin'
Rockin' in the U.S.A.

Germany was really neat, just wasn't much to eat
And Denmark was great, but I just can't wait, rockin' in the U.S.A.

Rockin' in the U.S.A. (rockin' in the U.S.A.)
Nowhere else I'd rather stay (rockin' in the U.S.A.)
Rockin' and a-rollin' (rockin' and rollin')
Rockin' and a-rollin' (rockin' and rollin')
Rockin' in the U.S.A.
Rockin' in the U.S.A. (rockin' in the U.S.A.)
Nowhere else I'd rather stay (rockin' in the U.S.A.)
Rockin' and a-rollin' (rockin' and rollin')
Rockin' and a-rollin' (rockin' and rollin')
Rockin' in the U.S.A.
Rockin' in the U.S.A. (rockin' in the U.S.A.)
Nowhere else I'd rather stay (rockin' in the U.S.A.)
Rockin' and a-rollin' (rockin' and rollin')
Rockin' and a-rollin' (rockin' and rollin')
Rockin' in the U.S.A.
Rockin' in the U.S.A. (rockin' in the U.S.A.)
Nowhere else I'd rather stay (rockin' in the U.S.A.)
Rockin' and a-rollin' (rockin' and rollin')
Rockin' and a-rollin' (rockin' and rollin')
Rockin' in the U.S.
