

2nd Chapter Of Acts, The Roar Of Love

If he was alive again and we could touch his mane
His golden mane
Hold his face in our hands then we would know he's tame
Call his name

And we'll climb on the lion's back
And we'll fly away

Lightning flashed into my eyes and i can see him now
See him now
Thunder broke inside my heart and i can feel him now
Feel him now

The roar of love is ringing out, ringing out thru the woods
Thru the woods
Aslan's raised from death to life and we will rise with him
Rise with him
