Chase And Status, Music Club

Hello and welcome back to music club,
before the break we discussed how to write compression into a snare drum,
now ill show you how to create the basic arrangment & outline for what is know in the ind
when producing drum and bass don't limit yourself to just one or two drums,
you can always add more to the equation,
why not try adding a bit of....Bongo
hello and welcome back to music club,
the is a rollout,
and now we go into the break down,
this is the moment in the song where it's important to let the listner know that things have changed,
by now you should be thinking about how were going to tear off the song and build it up into a big c
so there you have it
the complete guid on how to write a massive club banger
so thats goodbye from me,
and goodbye form music club
cya later gang
