

2Pac, Careless Whisper

Turn it up loud
Hahaha, ahahaha, hey man
You a little sucker for love, right?
Word up, hahahahaha
I shoulda seen
you was trouble right from the starrrrt, taught me so many lessons
How not to mess with broken hearts, so many questions
When this began we was the perfect match, perhaps
we had some problems but we workin at it, and now
the arguments are gettin loud, I wanna say
But I can't help from walkin out just a little way
Just take my hand and understand, if you could see
I never planned to be a man it just wasn't me
But now I'm searchin for commitment, in other arms
I wanna shelter you from harm, don't be alarmed
Your attitude was the cause, you got me stressin
Soon as I open up the door with your jealous questions
Like where can I be you're killin me with your jealousy
Now my ambition's to be free
I can't breathe, cause soon as I leave, it's like a trap
I hear you callin me to come back, I'm a sucka for love
I'm never gonna dance again, hahahaha thats right
guilty feet have got no rhythm sucka for love
though it's easy to pretend
I know you're not a fool, a sucka for love
Should've known better than to cheat a friend
and waste the chance that I've been given, a sucka for love
so I'm never gonna dance again
the way I danced with you
Just when I thought I broke away and I'm fellin happy
You try to trap me say you pregnant and guess who the daddy
Don't wanna fall for it, but in this case what could I do? So now I'm back
to makin promises to you, tryin to keep it true
What if I'm wrong, a trick to keep me on and on
Tryin to be strong and in the process, keep you goin
I'm bout to lose my composure, I'm gettin close
To packin up and leavin notes, and gettin ghost
Tell me who knows, a peaceful place where I can go
To clear my head I'm feelin low, losin control
My heart is sayin leave, oh what a tangle web we weave
when we conspire to conceive, and now
You gettin calls at the house, guess you cheatin
That's all I need to hear cause I'm leavin, I'm out the do'
Never no more will you see me, this is the end
Cause now I know you've been cheatin, I'm a sucka for love
I'm never gonna dance again, hahahaha thats right
guilty feet have got no rhythm, sucka for love
though it's easy to pretend
I know you're not a fool, a sucka for love
Should've known better than to cheat a friend
and waste the chance that I've been given, a sucka for love
so I'm never gonna dance again
the way I danced with you
Now he left you with scars, tears on your pillow and you still stay
As you sit and pray, hoping the beatings'll go away
It wasn't always a hit and run relationship
It use to be love, happieness and companionship
Remember when I treated you good
I moved you up to hills, out the ills of the ghetto hood
Me and you a happy home, when it was on
I had a love to call my own
I shoulda seen you was trouble but I was lost, trapped in your eyes
Preoccupied with gettin tossed, no need to lie
You had a man and I knew it, you told me

Don't worry bout it we can do it now I'm under pressure
Make a decision cause I'm waitin, when I'm alone
I'm on the phone havin secret conversations, huh
I wanna take your misery, replace it with happiness
but I need your faith in me, I'm a sucka for love
hahahha thats right sucka for love,
a sucka for love, a sucka for love.
