Chris Rodriguez, Saved

Once given over to evil
A heart so cold and deceitful
Lost and fallen, fallen
Fallen in the ways of the world
A slave to all kinds of pleasure
Yet all the while in the desert
Thirsty and hungry for you
Longing for a new rebirth
CHORUS:
Now I'm saved
Never to be lost again
Now I'm saved
Saved in the end
By the Lord of all
The holy one
My one and only
True and faithful friend
My eyes were eyes disillusioned
I walked the streets of confusion
Drifting in an aimless life
A broken life
No life at all
Who can redeem this sinner
This angry child
This beginner
To the ways of Love unfailing
These heights I'm scaling
To be with you
CHORUS:
Now I'm saved
Never to be lost again
Now I'm saved
Saved in the end
By the Lord of all
The holy one
My one and only
True and faithful friend
BRIDGE:
Come all you captives
Be set free
By the Holy Prince
Of Peace
Shelter from the enemy
He will save you
Save me
Save you
Save
Let all this fear fall away now
It surely is a new day now
Rise up - and look on high
Redemption - Draweth Nigh
CHORUS:
Now we're saved
Never to be lost again
Now we're saved
By the Lord
True and faithful friend
Now we're saved
Never to be lost again
Now we're saved
Saved
Saved...
