Lullacry, My Dear Skinwalker

I've Longed For You So Long
Together We Bond, Emotionally Strong
Inhabit, Transformation From My
Individuality, Into Our Duality

Just We, Ourselves And Us
Together We Go
My Dear Skinwalker

Walker, Walk On The Shape Of Instincts
Motion Translated Into A Pure Illusion
Legendary Figure Has Turned Me Into A Legend
And Now, You Have Nothing More To Give Me

So I Will Give You Away
My Dear Skinwalker
