2Pac, Fame

And my niggas say We want the FAME C'mon c'mon

[Chorus]

One thing we all adore Something worth dying for Nothing but pain Stuck in this game Searching for fortune and fame

The one thing we all adore Something worth dying for It's been nothing but pain Stuck in this game Searching for fortune and fame

[Verse 1: Tupac]

Though we exist and breathe Some believe currency comes to g's Stresses half the ghetto With success comes greed [echo] They got me hot When they shot me Plotted My revenge To increase my ends Enemies gettin dropped Win or lose Red or blue We must all stay true Play the game nigga Never let the game play you And for the fame [echo] Niggas change fast [echo] That's a shame [echo] What's the game Lost souls Who controls our brain? Who can I blame? [echo] The world seems strange at times Somewhat insane [echo] I'm hoping we can change with time

I'm living blinded [echo]

Searching for a ?? curse I know death follows me But I murder him first

And worse yet With each breathe

Steps I take **Breathless**

Is there a cure for a hustler with a death wish?

Cigar ashes Coaster Crystal glasses

We mash on them jealous bastards

With a ski mask

I'm the first one to warn them

Blast it

Wrapped in plastic

Bullshitting got his ass hit (outlaws)

Ain't nothing left now

Treated like a stepchild Was not for me Nothing but busters and bitches (fuck em all) Be rocking beats Fake in fame

[Verse 2:]

Block run and shoot slugs We throw them back like hardballs Without the gloves No love for these fake desperados And thugs I bleed to envy Smoke and blow out they blunts Sipping Henney Drunk nights And hot days Cocking my heat Shooting it sideways A wife on the run Full of common blunts Unconditionally married To my gun Fulfillin' my destiny On knees And ones desires Be pulling all my cabbage Like priors Stuck in the trance Searching for something higher Fortune and fame

[Chorus]

One thing we all adore Something worth dying for Nothing but pain Stuck in this game Searching for fortune and fame (FAME)

The one thing we all adore Something worth dying for It's been nothing but pain Stuck in this game Searching for fortune and fame

[Verse 3:]

Searching for fortune and fame Lost in the rain A lose of the game With life the cost of the game We forcing the change Mother fuck flossing the chain [echo] All the blame Belongs to the part of the brain [echo] That we never use nigga Plus my heart is in pain [echo] And if I ever lose homey Bet I'm at it again [echo] Outlaws don't die So united we stand [echo] And if family 'come a foe All the fortune and fame [echo]

[Verse 4: Napoleon]

As I walk up in the crib Laid to rest me head Say some rhymes to angels Hope they bless my bed Hope they bless me the righteous way Got a homie locked down Outta town I sent him a kite today Man that hate in your heart Your gotta cleanse it dog Praying for my downfall And I can sense it dog I was passed down the street fame Like glocks clocked And keep aim Was raised up with a clock box And I ran with the local street gang They say the light is faded But still shine in the dark You can easy been a man But you is a boy in your heart And that's some game that I got From generation of game In the road of life dog We need to switch up lanes Think about it

[Chorus]

One thing we all adore Something worth dying for Nothing but pain Stuck in this game Searching for fortune and fame (FAME)

The one thing we all adore Something worth dying for It's been nothing but pain Stuck in this game Searching for fortune and fame

[Verse 5:]

I can't complain I've seen my fair share of the fame It wont change me Now I've got this piece of change I feel strange I got so use to the hood That when I finally got out At first it ain't feel good I was just a baby Still retarded from slavery When we struggle to shovel shit Ain't nobody saved me Ghetto ain't made me I made myself Poverty raised me Thinking ain't no help I pray for my health My mind And my family too State of myself

My grind
And my family crew
Where one hand watches the other
No we ain't blood
But we still real brothers
The struggle is real
Nothing can steal
What we build
And that remains the same
'Till that day we killed
And that's real
Life that I was aimed to be
Love by my family tree
That's fame to me
How about it

[Chorus]

One thing we all adore Something worth dying for Nothing but pain Stuck in this game Searching for fortune and fame

The one thing we all adore Something worth dying for Nothing but pain Stuck in this game Searching for fortune and fame
