Madball, Stand Up NY

We lead by example (example)
It's time to set the trend (to set the trend)
Once again
Stand up New York
Hardcore show your pride
Stand up New York
Hardcore be recognized
Were the New York state of mind
Our city one of a kind
Station World wide
We have enough for you all
I must pay my own most respect
To the seen that started it all
Hardcore show your pride
Stand up New York
Hardcore be recognized
Brooklyn are you with me, Queens are you with me
Strong Island are you with me, Staten Island are you with me
The Bronx are you with me, Manhattan are you with me
STAND UP NEW YORK
