Claude King, I Can't Get Over The Way You Got

I can't get over the way you got over me (so soon)
You just turned your back and then you walked away
I get my all to show my love was true (for you)
You'll never know how much I'm missing you
Oh I've got to learn how to learn how to get over you
Poor little me I loved you too much too long
I can't get over the way you got over me (so soon)
You just turned your back and then you walked away
[piano]
Oh I've got to learn...
You just turned your back and then you walked away (you walked away)
