Manian, Tonight (ft. NICCO)

We got one love, it?s a true love
Sip your drinks up, we getting high
Cause it?s run time, for the good life
Don?t stop breathing, we?re alive, alive

We belong to di music, alla di way
Dj drop a beat, make us go may
Do what you do, don?t bring me down
Let your love shine on, oho

Tonight, I got a feeling inside
Tonight, now the time is right
Yeah we rock to the music
And dance all way, tonight, tonight oho

Tonight, we take the girls away
Tonight we blow the club away
There?s a fire pon di dance floor
We burning down tonight, tonight, oho

It?s electric, can you catch this
Good vibration, into your soul
Feeling so fine, can?t walk a straight line
But we dance and loose control, control

We belong to di music, alla di way
Dj drop a beat, make us go may
Do what you do, don?t bring me down
Let your love shine on, oho

Tonight, I got a feeling inside
Tonight, now the time is right
Yeah we rock to the music

Everybody gonna get up and move
All of the hands get up, and the night and come now
Everything gonna be so cool
