

# 2Pac, Loyal To The Game

(feat. G-Unit)

[2Pac:] I'm loyal to the game

[Verse 1: 2Pac]

Now I've got task on a nigga's ass  
Tell me will they blast me  
I think of an alias in case these crooked bitches ask me, now  
It's gettin crazy after dark,  
These narcs be like tryin to shut me down but I'm too smart  
Now picture me scared of the penitentiary  
I've been movin these things since the days of elementary  
Now tell me what ya need when ya see me  
I'm stackin Gs buyin all the things on TV, believe me  
I got some killas on my payroll and they know  
When its time to handle business nigga lay low  
Although I'm young I'm still comin up  
I'm gettin paid pullin razors on niggas when they runnin up  
The first to pull the strap when theres drama  
Buster you ain't heard?  
I been slicin motherfuckers since I lost my mama  
There ain't a cop that can stop me  
My posse is cocky and they don't wait until they drop me  
I'm loyal to the game

[CHORUS: 50 Cent]

I do my thing respect my hustle I ain't playin  
(Nigga I'm loyal to the game)  
You get in my way and I cock and pop that thing  
(Man I'm loyal to the game)  
If you know what I know then you know I ain't playin  
(I'm loyal to the game)  
Nigga get in my way and I'll blow out your brain

[Verse 2: Young Buck]

Possessed by the streets you can't tell me that this ain't home  
I can't eat if the rest of this shit ain't gone  
I'm gettin used to the needles on the bathroom sink  
Gotta close my door because the bathroom stink  
See, daddy don't work, and mama don't drink  
But daddy do dope, and mama can't think  
So look like I'ma be the man of the house  
Gotta have somethin to put in the air when it's out  
Up early in the mornin the first to get it  
They say if you really want it then come on wit it  
Sacrifice my life for this ice and these cars  
And I only spent 30 days behind bars  
I ain't never had a job but my rent got paid  
I handled any beef that they sent my way  
So send me to the pen but you know I won't change  
It's thug in my veins  
I'm loyal to the game

[CHORUS: 50 Cent]

I do my thing respect my hustle I ain't playin  
(Nigga I'm loyal to the game)  
You get in my way and I cock and pop that thing  
(Man I'm loyal to the game)  
If you know what I know then you know I ain't playin  
(I'm loyal to the game)  
Nigga get in my way and I'll blow out your brain

[Verse 3: Lloyd Banks]

Yeah

It ain't my fault I came up fast  
And your the name niggas bring up last  
And all the dames get a king up ass  
10 grand on every ring I flash  
Deep frog--and I'ma have to fling your ass  
I'm on the block where its scorchin hot  
If you get caught in the crossfire they have to throw you off the block  
I get 'dro by the pickle jar  
These broke niggas wanna get the star  
So I don't keep the four-nickel far  
My lips is zipped I'm loyal to the game  
Bring your bitch around me I'm spoilin her brain  
Get more slugs to boil in your frame  
Cause you got rocks and they got aluminum foil for a chain  
The paints the same color as oil in the Range  
I'm stingy ain't got nothin for you but some change  
I'm good now but the fact still remains  
That the struggle that I'm from is attached to my name

[CHORUS: 50 Cent]

I do my thing respect my hustle I ain't playin  
(Nigga I'm loyal to the game)  
You get in my way and I cock and pop that thing  
(Man I'm loyal to the game)  
If you know what I know then you know I ain't playin  
(I'm loyal to the game)  
Nigga get in my way and I'll blow out your brain
