Corey Taylor, Breath Of Fresh Smoke

Utwór 'Breath Of Fresh Smoke' z albumu 'CMF2' od Corey Taylor.

She was like a breath of fresh smoke I wanted to inhale until I choked
Couldn’t say word… then she spoke
She said “I’m leavin’…”
She was out of bed going nowhere
Packed everything, save one cold stare
Didn’t say a word… she didn’t care
She said “I could’ve had it all if I didn’t have… you”

She Had A Full Tank Of Gas and Half A Mind To Try
She Said “Living Your Life In One Place Is The Quickest Way To Die”
She Had Eyes For The City, and Her Sights On The World
And She Could’ve Had It All, If It Wasn’t For You

She said goodbye on a Sunday… It’s always goodbye on a Sunday
She tossed back her head and went on her way
She left you…
I know she’s out there and crazy
And even though the details are hazy
You better know in life when there’s nothing else to say
You could’ve had it all… no you could’ve had it all

She Had A Full Tank Of Gas!
And Half A Mind To Try
She Said “Wasting Your Time In One Place Is The Quickest Way To Die”
She Had Eyes For The City, and Her Sights On The World
And She Could’ve Had It All
No She Could’ve Had It All
Oh She Could’ve Had It All...
If It Wasn’t For You
