

# 2Pac, Military Mindz

(Tupac Talking)

Stand in formation  
My motherfucking real troopers  
Lets do it like soldiers  
All in together now  
Ready?  
Hell yeah  
No retreat no surrender  
Death before dishonor motherfucker  
Do it to them  
Come on  
Never got thuggish  
Uhh  
Yes yes YES  
Say whut  
Westide eastside ride  
Where you at?, where you at?  
Where my real thugs?

Where my real thugs?  
Where you at?, where you at?  
Where my real thugs?  
Where you at? (Huhuhu)  
The cases of a drug dealer  
Real thugs, where you at?  
Yo a motherfucking army  
Do it to them  
Do it to them  
They love the way we do it to them  
We do it to them  
Calvary

(Verse 1: Tupac)

Suppress the revolution of premeditated scheme (echo)  
Introduce a drug called crack  
To us ghetto teens (echo)  
Got a law for raw niggas now  
Playa what it be like? (echo)  
When will niggas see they got us bleeding with 3 strikes (echo)  
Can't seem to focus  
Hopeless  
With violent thoughts  
I wrote this  
Got these devils petrified  
Hiding from my hocus pocus  
And so I learned to earn my currency  
And over time (echo)  
Affiliated  
Clearly click a military mind (echo)  
May god forgive us  
Though we dwell inside a paradox  
Thugged out and drug dealing  
From the womb to the block (echo)  
My live mind got me surviving 5 shots (echo)  
My 45 got me fortified with live rounds  
When shit stick  
We plot hits  
When our block spits  
All hail  
Out on bail  
Wrath of 2pacalypse (echo)  
Forever ghetto

Necessary picture food stamps  
Outlaw thug niggas  
Never left the boot camp

(Verse 2: BuckShot & Cocoa Brovas)

I'm a nigga for assignment  
One of the suqads finest (echo)  
Skilled in gorilla warfare  
And blessed  
Work with firearm (echo)  
My rap shit  
Contains sections of bomb sessions  
Says I'm responsible for black smith and wessons (echo)  
Putting up on ?? in the military state of mind (echo)  
Dangerous like chronic and yard when combined  
Cocoa Brovas pan the borderline (echo)  
That's the sound and your dead son

Man to man  
I'm facing the devil with a plan (echo)  
Judo stance  
First glance  
I'm making my advance (echo)  
Animal instincts  
Intelligence of an assassin (echo)  
Mask my ninja style  
Surround me ready to attack (echo)  
I react swiftly  
What father taught me sticks with me (echo)  
Never forget the methods stick and move strictly (echo)  
Shit be seeming like its closing in  
With no regrets I hold position  
Cause I circles  
I'm one of the chosen men (echo)

Picture being put in position to move (echo)  
And you can't move  
Cause your move is blocked by the knight at 12 O'clock  
That's when the madness beings (echo)  
So I start to focusing  
My thoughts on the war  
Cause the rule is the law (echo)  
And the law that we live by is to stay true to self  
In this case beady eye (echo)  
Why try  
Everybody lie  
About the block  
True soldier mentality  
This is how we rock and move (echo)

Stick and move  
Time to show what kinda nigga  
Move or get moved on  
Lets see whos strong (echo)

In the days of the strange  
Where nothing stays the same  
With new faces come through with similar game (echo)  
And who you thought them  
Really ain't they (echo)  
Catching deja vu  
Of the game people play (echo)  
It's a call for re-adjustment  
Fine tune your positions

You slipping and tripping  
Instead of bobbing and dipping (echo)  
Will never let this world of stress get me (echo)  
Taking breathing techniques  
Slay you with tai chi (echo)

What did you change  
To get a break  
In the world of snakes  
And those who fake  
Elimination I'm facing  
Destruction  
Outlaw till I duck down (echo)  
From po po's bustin'  
No one to trust in  
Rushing to the goal line  
Catch a nigga  
Beat him  
Treat him like he stole mine (echo)  
No swine  
I'm a soldier  
Told cha I control mine (echo)  
Time to take you back into time  
Follow this here

One way out  
This black hole  
For this black soul  
Shit is outta control  
I'm fighting for my position  
To be a fetus in this world I am entering (echo)  
And my face is sentencing for repentance (echo)  
Before my body was fully formed into a human (echo)  
I was already consuming weed  
Cause my mom's use to smoke back in the 70's (echo)  
Maybe that's why in the 90's  
I drop g's when I drop degrees (echo)  
When I ease across the block  
With Pac (echo)  
And got all you niggas shot  
You didn't think  
Boot Camp click would link  
With the outlaw minded  
If you do you press rewind  
And you can peep gorilla tactics in every line

(Tupac)
