Translation: The green caterpillar's master (Imomushi no nushi)
If I were able to tell you one more thing, it would be
"The well floating in your eyes is my defiance toward you."
He who came from within the thicket into an indigo meadow is violently crazy, he gives his bodily h
Plunging through, with a serious form, in the smell of grass, he rolled round and round
Even if he was no longer a human, he would continue arguing that he is a person.
With an ambition nothing can disturb, he has found even how to survive in this brain.
Someday the battle cry will be raised, and he will devour up everything.
