Crackout, Chuck

He wasnt out to get me
He wasnt quite so easy
Time isnt on my side
I am under pressure from myself
Too late to find it all again
I am out to get my only friend
Sometimes, Sunrise
Sometimes, Sunrise
Feeling like Im Blinded
To much to try and Find it
I want to fall around
Im under pressure from myself
Too late to find it all again
I am out to get my only friend
Sometimes, Sunrise
Sometimes, Sunrise
An interesting show
But now its all to go
I just want to lie there
Need to found our way
A constant Alibi
No effect on Zero
CHUCK
Miracle indeed
Nothing else to feed
Ive become a relic (Dont know about this line J)
