Crystal Eyes, The Final Sign

Music: Dahl, Wikander, Kaupamaa - Lyrics: Mikael Dahl

A light in the sky
You can't deny
The blistering heat in your eyes
The blaze burns you all
It's out of control
Only the sky will survive

Pre Chorus:
Melting your brain , drives you insane
Storms your mind , makes you blind
It's blazing fast , feel the blast
The burning hate is your fate

Chorus:
Stand up for the sign
We're all in the hands of the skystorm
Rise up for the light
The sky will explode in your eyes
No time to pray it's the Final sign

Mighty as god
Searching for blood
Like a mad whirlwind of fire
End of the earth
Destruction's rebirth
Feel boiling blood in your veins

Pre Chorus:
Chorus:
Solo: Both
Chorus:
Solo: Jukka - Dahl
