Queen Adreena, Pretty Polly

Polly, pretty Polly, come go away with me
Polly, pretty Polly, come go away with me
Polly, get married, some pleasures to see

She jumped up beside him and away they did go
She jumped up beside him and away they did go
Over the mountains and the valleys below

Billy, oh Billy, I'm afraid for my life
Billy, oh Billy, I'm afraid for my life
I'm afraid you mean to murder me and leave me behind

Polly, pretty Polly, you're guessing about right
Polly, pretty Polly, you're guessing about right
I've been digging your grave for the best part of your life

He stabbed her through the heart, her hot blood did flow
He stabbed her through the heart and her hot blood did flow
And into the grave pretty Polly did go

Oh, oh oh oh
Oh, oh oh oh
Oh, oh-ho

He threw a little dirt over her, started for home
He threw a little dirt over her and started for home
Leaving nobody there but the wild birds to moan

A debt to the devil Billy must pay
A debt to the devil Billy must pay
For killing pretty Polly and running away
Running away (Polly, pretty Polly)
Away (Come go away with me)
Running away (Polly, pretty Polly)
Away (Come go away with me)
Running away (Polly, pretty Polly)
Away (Come go away with me)
Running away (Polly, pretty Polly)
Away (Come go away with me)
Running away (Polly, pretty Polly)
Away
