# Damien Rice, Woman Like A Man

I need a piss,
Wanna hate,
Fuck it up, come.

My love,
Each and me,
Keep your teeth, wrong.

Youve lost me,
You caused me
You taught me a million

Whip back
Walk me to,
Stupid fool

You wanna get boned
You wanna get stoned
You wanna get a room like no one else
You wanna be rich
You wanna be kitsch
You wanna be the bastard of yourself
You wanna get burned
You wanna get turned
You wanna get fucked inside out
You wanna be ruled
You wanna be fooled
You wanna be a woman like a man like a woman like a man

A woman like a man like a man like a woman like a man, you like a man.
(Ill get a cheaper ticket next time)
woman like a man woman like a man like a woman like a man woman like a man
(Ill get a cheaper ticket next time)
A woman like a man like a man like a woman like a man, woman like a man
(Ill get a cheaper ticket next time)
Woman like a man like a man like a woman like a man like a man
(Really wasnt worth the ride)

Need a hit
Wanna wait
Suck it up, cum

My love,
Each and me,
Itchy feet, run

You reach me
You bleach me
You teach me a million familiar

Whip back
Walk me to
Stupid fool

You wanna get boned
You wanna get stoned
You wanna get a room like no one else
You wanna be rich
You wanna be kitsch
You wanna be the bastard of yourself
You wanna get burned
You wanna get turned
You wanna get fucked inside out
You wanna be ruled

You wanna be fooled
You wanna be a woman like a man like a woman like a man

A woman like a man like a man like a woman like a man, woman like a man.
(Ill get a cheaper ticket next time)
woman like a man like a man like a woman like a man like a man
(Ill get a cheaper ticket next time)
like a man like a woman like a man like a woman like a man, like a man
(Ill get a cheaper ticket next time)
Woman like a man woman like a man like a woman like a man like a man
(Really wasnt worth the ride)
