Some company

Beautiful
Multiplied by two

One is only half as much as it could be, baby
With you Wooooooah Yeahhhhh

Would you be my hey
How do you feel
Would you be my angel with sex appeal
Would you be my sweet taste of caramel
My kiss and tell
My kiss and tell

Animals are makin sense
Their seasonal
Relationships
Lets begin
Ill be your friend

cloudy or clear

Ill still be here
Ill still be here yeah

Would you be my hey
How do you feel
Would you be my angel with sex appeal
Would you be my sweet taste of caramel
My kiss and tell

No reason to be shy
No pleasures to deny
No promises to keep
Aint the one thing worth losin sleep baby

Do you know what that is x 3

All i want is someone to believe in me
to be free with me

Would you be my hey
