Moloko, Blow By Blow

I can't forgive and
I can't forget
It's never simple that way
Too proud to let you know
Oh know I wish it was so
It frightens me to say
Why don't I let somebody new
Take me home
Lately I feel so alone
Somebody new would make it easier
For me to let you go
Oh no
So be it
Let it be so
It's better this way Baby
Well you can take me down
What a way to go
Blow by Blow
It's how it always happens
In the throws of passion
Is it any wonder
It's no wonder at all
Just to live a lifetime
In the space of a lifetime
Well it's the hardest thing to do
But there'll be nothing after you
Blow by Blow
Kill me slow
Blow by Blow
What a way to go
Hey hey hey.....
You didn't mean those things you said
You didn't mean those things
