Dave Dudley, There's A Star Spangled Banner W

There's a star spangled banner waving somewhere
In a distant land so many miles away
Only Uncle Sam's great heroes get to go there
That is also where I want to live someday
I'd see Lincoln Custer Washington and Pearry Nathan Hale and Colin Kelley too
There's a star spangled banner waving somewhere
Waving on the land of heroes brave and true

Though I realize I'm crippled that is true sir
Please don't judge my courage by my twisted leg
Let me show my Uncle Sam what I can do sir
Let me help to bring the enemy down a peg
If I do some brave deed I will be a hero and the hero brave is what I wanna be
There's a star spangled banner waving somewhere
In that heaven there must be a place for me
In that heaven there must be a place for me
