Necrodeath, Serpent

He wants to bring you in the threshold of his door
He wants to show you the ancient secret of magic art
He is the viscid demon that will change your life
Terrible keeper with inexepressible face

The fruit of shame that they'll give you is forbidden
Honour and glory to the original sin
Temptations of a future that nobody knows
Terrible keeper with inexepressible face
The serpent...

I am the serpent and without laws I live
