Negative, My Personal Sensitivity

I hate to think I hate to do
I hate to stand but I like to move
I waste my time I'm always wrong
I feel I'm weak but still i'm strong

(2x)

Take me now 'cause i'm so tired, take me now and please be my side
Take me now and don't never let me go, don't let me go

It's like a turn it's like a dream, there's no more love what i can feel,
I waste my time I 'm always wrong
I feel i'm weak but still i'm strong

Take me now 'cause i'm so tired...
