Dia Psalma, We Love You (Alla

He's sitting in his room with a razor in his hand
a one way ticket to a foreign land
thinking about his life, what he's done and all the joy
wondering why he has been their toy

BUT YOU KNOW THAT
WE ALL LOVE YOU
THEY LOVE YOU
WE LOVE YOU
WHEN YOU ARE DEAD

She's laying in her bed, the disease is in her veins
quarantine has locked her up in chains
dreaming of a world where the weak can get a chance
she feels her life is running out of her hands

BUT YOU KNOW THAT
WE ALL LOVE YOU
THEY LOVE YOU
WE LOVE YOU
WHEN YOU ARE DEAD

He's driving his old car on the traffic-jammed highway
on his way home after a fucked up day
he sees another car on the wrong side of the road
nothing can be done to save his soul

BUT YOU KNOW THAT
WE ALL LOVE YOU
THEY LOVE YOU
WE LOVE YOU
WHEN YOU ARE DEAD
