Scott Walker, I'll Be Home

I'll be home - I'll be home
When your life's in trouble and you're all alone
When you're feeling down and need some sympathy
Nobody's around to keep you company

Remember, baby - you can always count on me
I'll be home - I'll be home
I'll be home

I'll be home - I'll be home
Wherever you may wonder - wherever you may roam
You come back and I'll be waitin' here for you
No-one else could ever love you the way I do

I'll be here to comfort you and see you through
I'll be home, I'll be home
I'll be home...
