Die Happy, Don't Be Scared

My mouth is a loaded gun
My words are bullets
Then, baby, you are done Die
then it's over
Your stupid worries
You're my victim Happy
My only one

DON'T BE SCARED
I'M JUST GONNA KILL YOU Don't
WELL I'D LOVE TO, TRY TO
DAMN, I THINK I'M GONNA SHOOT YOU Be
'CAUSE I HAVE TO FUCK YOU UP

My mouth is an avalanche Scared
My voice is thunder
It's a one way road to hell Songtexte
You're going under
You're my victim
