Nelly, Tilt Ya Head Back - Christina Aguilera

Yeah, that's tight (uh)
Check it, drop the drum right (hmmm..yeah)
Put some horns in it..woo! (that's right)
Do it again (yeah yeah, ha oooh oooh alright, ha)
Give her what she want, give her what she want uh (repeat)

(Verse 1: Xtina)
I see you lookin', uh
like what you see?
Boy, now don't be shy
and look at her face in opportunity

(Nelly (Xtina):)
She's right ya know (uh uh), she's right (ah)
Man, she's right ya know (uh uh), she's right (ow!)
You stand there looking at me (at me)
I stand herre looking at you girl (at you boy)
You know exactly what's on my mind (yeah yeah)

(Xtina (Nelly):)
It's just so easy to see (to see)
You came here looking for me (but uh uh)
But I don't do that type of thing all the time, yeah
(You want me to)
Come here boy
I got a little something for ya
(You got a little bit, can I get a little bit? yeah yeah)
And I don't know (I don't know what it is but I just want to get to know ya, alright alright..yeah yeah)

(Chorus:)
I need to daaaaaance
(Tilt ya head back, take ya head back)
All night
(Bring it back up slowly, that's right)
I need ya to daaaaaance
(Tilt ya head back, take ya head back)
All night
(Bring it back up slowly, that's right)

(Verse 2: Nelly)
Now situations, girl
They often change
Sometimes for the good
Sometimes for the bad, but who's to blame?

(Xtina (Nelly):)
He's right ya know (uh uh), he's right (oh babygirl)
He's right ya know (uh uh), he's right, OW!

(Nelly (Xtina):)
You stand there looking at me (at me)
I stand herre looking at you girl (at you boy)
You know exactly what's on my mind (yeah yeah)

(Xtina (Nelly):)
It's just so easy to see (to see)
You came here looking for me (but uh uh)
But I don't do that type of thing all the time, yeah
(You want me to)

Come here boy
I got a little something for ya
(You got a little bit, can I get a little bit? yeah yeah)

And I don't know (I don't know what it is but I just want to get to know ya, alright alright..yeah yeah)

(Tilt ya head back, take ya head back)
All night

A little bit of this
A little bit of back
With a little bit of *beep*

(Nelly (Xtina):)
You stand there looking at me (at me)
I stand herre looking at you girl (at you boy)
You know exactly what's on my mind (yeah yeah)
