Sheryl Crow, Put A Little Love In Your Heart

Think of your fellow man
lend him a helping hand
put a little love in your heart.
You see it's getting late
oh please don't hesitate
put a little love in your heart.
And the world will be a better place
and the world will be a better place
for you and me
you just wait and see

Another day goes by
and still the children cry
put a little love in your heart.
If you want the world to know
we won't let hatred grow
put a little love in your heart.
And the world will be a better place
and the world will be a better place
for you and me
you just wait and see

Take a good look around and
if you're lookin' down
put a little love in your heart
I hope when you decide
kindness will be your guide
put a little love in your heart.
And the world will be a better place
and the world will be a better place
for you and me
you just wait and see
put a little love in your heart each and every day
put a little love in your heart there's no other way
put a lttle love in your heart, it's up to you
put a little love in your heart...
