Simple Plan, Gracias (Thank You) Live At Argenti

I thought that I could always count on you,
I thought that nothing could come between us two.
We said as long as we would stick together,
We'd be alright,
We'd be ok.

But I was stupid
And you broke me down
I'll never be the same again.

So gracias for showing me,
That best friends can not be trusted,
And gracias for lying to me,
Your friendship, the good times we had you can have them back

Yeah!

I wonder why it always has to hurt,
For every lesson that you have to learn.
I won't forget what you did to me,
How you showed me things I wish I'd never seen.

But I was stupid,
And you broke me down,
I'll never be the same again.

So gracias for showing me,
That best friends can not be trusted,
And gracias for lying to me,
Your friendship the good times we had you can have them back

When the tables turn again,
You'll remember me my friend,
You'll be wishing I was there for you.

I'll be the one you miss the most,
But you'll only find my ghost.
As time goes by,
You'll wonder why,
You're all alone.

So gracias for showing me,
That best friends can not be trusted,
And gracias for lying to me,
Your friendship, the good times we had you can have them back.

So gracias - for lying to me,
So gracias - for all the times you let me down
So gracias - for lying to me,
So gracias - your friendship you can have it back
