Doro, Only You

Ohohohohoh
Ohohohohoh
Every time I see your face
I see the light
Every time I call your name
I know it ain't right
I'm on the run again
Don't know if I could ever make you see
Maybe I feel no pain
But I need you to keep me company
All through the night - ahohoh
You're all I need, through the night
Oh I can't believe it
You're just a mirage
Must be dreamin'
I can't get you out of my mind
I begin and end my nights with you
I'm under your spell
You bare my flesh, you strip my soul
Maybe you can tell
I hear your voice, I see your face
But I need you to keep me company
All through the night - ohohoh
I dream of lovin' you, through the night
Don't know what to do
I'm dreamin' of you
I'm thinkin' of you
You're just a mirage
Can't stop dreamin'
I can't get you out of my mind
I can't believe it
You're just a mirage
Must be dreamin'
I can't get you out of my mind
Ohohohohoh
Ohohohohoh
Ah ohoh!
I can't believe it
You're just a mirage
Must be dreamin'
I can't get you out of my mind
I must be dreamin'
I must be dreamin' - oh!
I can't believe it
This must be a mirage!
