Paula Cole, Black Boots

Why do you think she wears those black boots?
Why do you think she dyes her hair black?
She's awfully insecure
She's trying to be cool
She's hoping to be more in those black boots

Why do I think I wear these black boots?
Why do I wear three pairs of black boots?
I feel a little stronger
I feel a little taller
I identify with the color
I like myself in these black boots
