[2Pac] Go nigga, go!!

[Verse One:]

Young black male  
I try to effect by kicking the facts  
and stacking much mail  
I'm packing a gat cuz guys wanna jack  
and fuck goin to jail  
Cuz I ain't equipped to stop how I look  
I don't sell ya-yo  
They teachin a brother like I was in books  
Follow me into a flow  
I'm sure you know, which way to go  
I'm hittin em out of the dopes  
So slip on the slope, let's skip on the flow  
I'm fuckin the sluts and hoes  
The bigger the butts the tighter the clothes  
The gimminy jimminy grows  
Then whaddya know, it's off with some clothes  
Rowd when the crowd says hoe  
That let's me know, they know I can flow  
Love when they come to my shows  
I get up and go, with skins before  
When I'm collecting my dough  
I never respect, the one that I back  
The quicker the nigga can rap  
The bigger the check, now watch how they sweat  
What kind of style is that?  
The style of a mack, and ready to jack  
I rendered up piles of black  
The wacker the pack, the fatter the smack  
I hate it when real nigga bust  
They hate when I cuss, they threaten to bust  
I had enough of the fuss  
I bust what I bust, and cuss when I must  
They gave me a charge for sales  
For selling the tales... of young black males

Yes nigga, N-I-G-G-A niggaz

Fuck you capo. You ain't in baby.
