Dru Hill, Nowhere Without You (Interlude)

Remember us from TELL ME
And sleeping IN MY BED
We NEVER MAKE A PROMISE
And FIVE STEPS
APRIL SHOWER me with love
You're SO SPECIAL to me
There's so much more to Dru Hill
Then what you eye can see
We want you to know we love you
We want you to know we need you
Where would we be without yah
Nowhere, nowhere, nowhere
Nowhere
You feel it in our music
Because of you we do this
We're never gonna lose it
No way, no way, no way
No way, no way, babe
