

# 3-11 Porter, I Can

I saw a picture on the front page of an old magazine  
And this picture has been with me ever since  
I cant forget  
It was the girl from the movie of the year  
She danced and she laughed  
And gave a piece of herself to this world  
I cant forget  
I cant forget the girl I never met  
I cant forget the girl I never met  
I cant forget the girl I never met  
I cant forget the girl with stars in her eyes  
I saw her walk in rain and in sunshine too  
And I saw her smile from the back seat of a passing car  
I cant forget  
Was she the girl,  
From the front page of an old magazine?  
She lived like she died  
When she died she died like a wind  
I cant forget the girl I never met  
I cant forget the girl I never met  
I cant forget the girl I never met  
I cant forget the girl with stars in her eyes
