

3-11 Porter, Surround me with your love

Hello
Can you hear me
Please don't go
Where are you going
Conversations go over my head
Isolation has an ugly face
Surround me with your love
Understand me I need you now
Surround me with your words
Understand me I need your love
I need your love
I need your love
Hello
I'm so lonely
And it feels like disease
Come and stay, stay beside me
Stay always forever don't go
Surround me with your love
Understand me I need you now
Surround me with your words
Understand me I need your love
